Everyday we are a witness, but it is helpful from time to time to have a focus. Fishing for life is such a focus. Last year Peter and Lin decided that this summer they should reach out beyond their home base. It seemed an ideal opportunity to make use of them here in Barlick. We pray that the arrival of the Gospel Belle will bring about a real interest in the area provided we make it well known in the press, through posters and by word of mouth. We have an opportunity to invite friends and relatives to events where the Gospel will be clearly presented. Let's make the most of it.

GOSPEL BELLE

These are the verses from which the name "Gospel Belle" or "beautiful Gospel" come.

"How then can they call on the one they have not believed in? And how can they believe in Him of whom they have not heard? How can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written '**How beautiful are the feet of those who bring good news!**'"

Tidal Wave

Tidal Wave is running daily during the mission week. It is for children aged 6-11 years old. The setting for the club is an island where HMS Tidal Wave has landed. There are various characters on board, including Jolly and Roger.

Each day, Jolly and Roger search for treasure which relates to the story which is being told. Some of the stories include the parables of the Rich Fool, the Costly Pearl and the Sower.

Please attend the team time at 9:15 each morning to pray for the club. This is vital then, but please also remember the club in this month leading up to the week.

Pray for

- > The organisation to come together for the week.
- > Children to come, and parents willing to bring them.
- > Open hearts to hear the Gospel - both adults and children.
